## ONLY ONE EXTRA HEAT IS NEEDED

Excellent Time is Made in the Grand Circuit Races at Grand Rapids—Uncle Biff Wins the 2:20 Trot.

GRAND RAPIDS, Mich., July 30.—Although attended by no record breaking performances Tuesday's grand circuit races produced excellent time, the ten heats run off averaging 2:09 1-5. Two of the events developed the keenest sort of contest.

The opening race, the 2:09 pace, proved easy for Billy M., highly fancied favorite who won in straight heats. Neither Arlene, with a strong following nor Princess Hatch, the Murphy entry had a chance for anything better than place money.

The Grand Rapids railway purse for 2:20 trotters fell to Uncle Biff in straight heats with Eulabelle pressing close at each finish. In the third heat it appeared to every one in the stand that Eulabelle had nosed out the favorite and the announcement of the judges that Uncle Biff was the winner provoked a storm of protest. All three heats were under 2:10, the best being 2:07 1-2 a new mark for the winner.

Henrietta C. ran away in the third heat and nearly clambered over the railing in being brought down to her stride. Rallo never got started in the first heat and was flagged.

The 2:24 trot was a great three cornered race between Mundy C., Dublin Lady and Binghamton, and developed another trotter when Mundy C., after dropping the first heat to Dublin Lady, stepped the second in 2:09 1-2. Murphy managed to land Mundy C. in the two subsequent heats necessary to a decision but Dublin Lady and Binghamton would close up and force him to his limit to win.

Wednesday's card comprises four races with the furniture manufacturers' \$10,000 stake for 2:12 trotters as the feature. Announcement is made Tuesday night of eight certain starters in this event.

All St. Paul's runs were made in the fourth inning when singles by Boehling, Autrey, Boone, Scott and Miller, and a triple by Riggett scored only three runs.

Manager Friel was ordered out of the grounds for objecting to Umpire Johnstone's ruling that Boone should not turn his head while at bat. Johnstone insisted that Boone look straight at the pitcher and Friel contended that the umpire could not direct the movements of the batter.
